PRESIDENT'S MESSAGE

By Vicki Schmidt, CLA

Our annual Valentine's Day fund raiser sold 113 Cookie Grams this year. Many of our members baked goodies for the event and we owe big applause to those who made donations including Michele George, Jenna Earhart, Lisa Pittman, Sunnie Palmer, Pam Snavelly, Ria Sherman, Gabrielle Davis, and Debbie Maldonado.

We are also grateful to the following individuals who helped put together the Cookie Grams: Adriana Sanchez, Lisa Pittman, Amy Pell, Erin Pack, and Jenna Earhart.

As we continue on our quest to empower ourselves to be the best we can be as individuals and as professional paralegals, consider this: the U.S. Department of Labor projects the paralegal field will add an additional 10,400 new jobs each year for the next several years. Becoming certified is one way to enhance your reputation in the legal community. Two of our members, Allison Martin and Michele George, have indicated they plan to take the NALA certification exam in the near future and I wish them well as they prepare for the exam.

Other ways to build your career include an ability to demonstrate your knowledge of the procedures preferred by the judges in each of the courts where your firm has cases. This could mean getting online to locate standing orders or local rules of the court. Or, you could attend the CLE our group is hosting this month to get first-hand information from the new judges in Denton County, as well as getting an update from the County and District Clerks concerning what's new in their offices.

I encourage you to sign up for this event and I hope to see you next Thursday, February 24th for the "Changing Faces of the Denton County Court." As of the newsletter deadline we have 70 attendees signed up and a terrific meal planned that will be served by the Oakmont staff.
